Accomplishments:

Sheriff's Crime Prevention Subcommittee had significant successes in 2025. Including local and national presentations on the subcommittees data collaboration efforts to address gun violence.

This subcommittee gathered gun violence data from the 17th Judicial District Attorney's Office, Adams County Sheriff's Office, Adams County Health Department, Thornton Police Department, Brighton Police Department, Broomfield Police Department, Westminster Police Department, Northglenn Police Department, and Commerce City Police Department. This data was used to assist in designed evidence-based firearm violence interventions.

This subcommittee also assisted the Adams County Health Department and the Adams County Sheriff's Office in receiving a coordinated re-entry grant for over 1 million dollars. These funds will be used to assist the Adams County Jail with services to help people transition back into the community.

The collaboration in this subcommittee helped identify a need for a training on Extreme Risk Protection Orders (ERPO) in our region. Sheriff Gene Claps then coordinated and hosted a training for all local agencies, free of cost, to help increase community education on this critical topic.

Youth Resource and Assessment Center Serving Adams and Broomfield Counties

In April 2023, The Link (Adams and Broomfield’s Juvenile Assessment and Resource Center) closed, unfortunately. The CJCC voted in response to re-create a Juvenile Justice Subcommittee for the CJCC to help address critical juvenile justice needs in the community.

The Juvenile Justice Subcommittee and CJCC worked diligently to start a non-profit entity to become a new Youth Resource and Assessment Center. The Juvenile Justice Subcommittee was previously chaired by Dr. Terrence Gordon, Retired Chief of Police, City of Thornton. As the project progressed, the non-profit entity and the Juvenile Justice Subcommittee split apart.

The Youth Resource and Assessment Center (YRAC) has successfully become a non-profit organization in the 17th Judicial District. The non-profit board President is Dr. Terrence Gordon. The Vice Chair is Keith Evans, Deputy Chief of Police for City of Thornton. The other board members include Deputy District Attorney Kim Hinton, Betsy Westbrook the Deputy Chief of Police in Brighton, Dr. Alex Kondos from Adams County Sheriff’s Office, Lori Bailey from Adams12 Five Star Schools, Darcy Brown from 27J Schools, Germaine Meehan from Adams County Human Services, and Levon Hupfer from Adams County Health Department. The YRAC Board has hired Becky Hoffman as the Interim Executive Director to assist with non-profit development. The YRAC has recently held a stakeholder vote and elected to rename itself as the new and improved “YouthLink.”

The Juvenile Justice Subcommittee is now chaired by Adams County Commissioner Steve O’Dorisio and continues to address the high needs of adolescents in our Judicial District.

2025 Fresh Start Forgiveness Day

The 17th Judicial District held another Fresh Start Warrant Forgiveness Day on June 7th, 2025. The goal of the Fresh Start Warrant Forgiveness was to resolve outstanding low-level warrants in our jurisdiction. These warrants can negatively impact people's lives in it makes me more challenging to obtain employment and housing. Also, law enforcement attempting to pull someone over with an active warrant has been demonstrated to increase risk to law enforcement officer safety. This event was coordinated along with multiple community resources to provide support to our residents.

At Fresh Start, one hundred people were served, and one hundred and nine warrants were resolved. The majority of the charges, 56%(n=91), were new charges. Probation violation warrants consisted of 34% (n=31) of cases forgiven. This effort also helped clear docket space because the majority of the cases were not continued and were closed with no future appearance dates.

17th JD New Competency Court

17th Judicial District launches new competency docket to address restoration needs and reduce waitlists

May 1, 2025, Brighton, Colo. — The 17th Judicial District has launched a new Competency Docket and Competency Diversion Program addressing the growing number of criminal defendants needing competency restoration services. This innovative docket integrates key provisions of House Bill 24-1355, “Concerning Reducing the Competency Waitlist, and, In Connection Therewith, Creating A Wraparound Care Program and Making and Reducing an Appropriation,” and introduces a new competency diversion program for eligible participants. The bill establishes a structured referral process for defendants who are likely to be found incompetent to proceed in court. Unlike traditional diversion programs, the bill redirects individuals into the Bridges Wraparound Care Program with mandated court reviews and data collection.

The Competency Court officially began operations on April 8, 2025, and currently serves defendants in Adams and Broomfield Counties. The court meets twice a month and focuses on accelerating access to appropriate services while reducing the burden on the state's limited inpatient resources. Chief Judge Kyle Seedorf will oversee Competency Diversion and Competency Docket in Adams County, and Judge Amanda Dewick will oversee Broomfield County. In Colorado, when a defendant is found incompetent to proceed, their case is paused until they are restored to competency. Competency restoration can occur through inpatient treatment at the state hospital or outpatient services if the individual is not in custody. Due to high demand and limited capacity, in-custody defendants often face extended wait times, sometimes up to a year or more, for inpatient care.
