CANVASS BOARD: MEMBERSHIP AND TIMING

For partisan elections, the canvass board is comprised of an equal number of representatives from each major party and the county clerk and recorder. Each minor party and unaffiliated candidate on the ballot may appoint a watcher to observe the canvass board's activities. [Section 1-10-101, C.R.S.]

For nonpartisan elections, the canvass board is comprised of 2 registered electors of the political subdivision appointed by the governing body or bodies that called the election. [Section 1-10-201, C.R.S.]

In some instances, an election will be both a general election and a coordinated election. In that case, both sections 1-10-101 and 1-10-202, C.R.S., govern the composition of the canvass board.

Therefore, minor party or unaffiliated electors are permitted on the canvass board only if (1) municipalities, school districts or special districts certified ballot content for the general election ballot, and (2) the intergovernmental agreement between the county and the participating districts provides for the appointment of unaffiliated or minor party electors to the canvass board. The practice creates more complexity in conducting the canvass, because only canvass board members appointed by the county chairpersons of the major political parties may participate in the canvass and the decision to certify the results of the state and county portions of the ballot.

STATEMENT OF BALLOTS AND DETAILED BALLOT LOGS

To assist with canvass, the county clerk must keep a detailed ballot log and a statement of ballots form for each voter service and polling center.

A detailed ballot log accounts for every ballot issued and received from the time ballots are ordered and received. The election officials must reconcile the log at the conclusion of each workday.

Each day the voter service and polling center is open, the election officials must record the following information on the Statement of Ballots Form:

- The name or number of the polling location;
- The number of ballots provided to or printed on-demand at each polling location;
- The number of ballots cast;
- The number of unvoted ballots;
- The number of damaged or spoiled ballots;
- The number of voted provisional ballots; and
- The date.

CANVASS BOARD DUTIES

The canvass board's duties are to conduct the canvass in accordance with section 1-10-101.5, C.R.S., including:

1. Account and balance the election;
2. Reconcile the number of ballots counted to the number of ballots cast;
3. Reconcile the number of ballots cast to the number of voters who voted by reviewing the reconciled detailed ballot logs and Statement of ballots; and
4. Certify the official abstract of votes. [Section 1-10-101.5, C.R.S and Election Rule 10.3.]

Other duties of the canvass board include observing the post-election audit and investigating and reporting discrepancies found in the audit in coordination with the county clerk. The canvass board is also responsible for assisting in a recount, including selecting ballots or the random test, observing the recounting of ballots, and certifying the results. [Section

1-7-514(2), (4), and Election Rule 10.3]

Note that a canvass board may not certify official results until it is authorized to do so by the Secretary of State. The Secretary of State may extend the canvass deadline for one or more counties in order to complete a Risk Limiting Audit. For more information, see Chapter 13 "Risk Limiting Audits". [Election Rule 10.4]

COUNTY ABSTRACT

For primary and coordinated elections, the canvass board must certify the votes cast by either (1) precinct, or (2) ballot style. For general elections, the canvass board must certify the votes cast in each precinct. [Section 7.5-208, C.R.S.]

The election official must prepare the official county abstract, which must include the following:

- Total number of active registered electors on election day;
- Total number of registered electors on election day;
- Statement of votes counted by race and ballot question or issue;
- Total number of ballots cast in the election;
- Number of mail ballots cast, including totals for ballots accepted and ballots rejected by each code;
- Number of in-person ballots counted;
- Number of provisional ballots cast, including totals for ballots accepted and ballots rejected by each code;

- Number of damage and spoiled ballots.
- If applicable, the number of ballots cast in each party's primary election, including totals for ballots accepted in each party's primary election by affiliated and unaffiliated voters and ballots rejected by each code.

The election official must submit the following information from the official county abstract to the Secretary of:

- Total number of registered electors on election day;
- Statement of votes counted by race and ballot question or issue; and
- Total number of ballots cast in the election.

Ballot Measures - Medidas de la Boleta Electoral

Ballot questions referred by the general assembly or any political subdivision are listed by letter, and ballot questions initiated by the people are listed numerically. A ballot question listed as an "amendment" proposes a change to the Colorado constitution, and a ballot question listed as a "proposition" proposes a change to the Colorado Revised Statutes. A "yes/for" vote on any ballot question is a vote in favor of changing current law or existing circumstances, and a "no/against" vote on any ballot question is a vote against changing current law or existing circumstances.

Las preguntas de boleta referidos por la asamblea general o cualquier subdivisión política se enumeran por letra, y las preguntas de boleta iniciados por el pueblo se enumeran numéricamente. Una pregunta de boleta identificado como una "enmienda" propone cambios a la constitución de Colorado, y una pregunta de boleta identificado como una "propuesta" propone un cambio a los Estatutos Revisados de Colorado. Un voto de "sí/en favor de" sobre cualquier pregunta de boleta es un voto a favor de cambiar la ley actual o circunstancias existentes y un voto de "no/en contra de" sobre cualquier pregunta de boleta es un voto en contra de cambiar la ley actual o circunstancias existentes.
