

COUNTY T-HANGAR WAITLIST

RENTAL POLICY

WAITLIST APPLICATION

The waitlist is applicable to our county-owned T-Hangars only. The waitlist is consistently at a year or longer. To apply for a county T-Hangar, you must designate the type of T-Hangar you are interested in: large, small hangar, or storage unit. You must have an aircraft at the time of acceptance of the hangar. You must have insurance and be able to provide a certificate of insurance to Colorado Air and Space Port (CASP).

PLEASE NOTE THE FOLLOWING REGARDING DENIAL OF AN AVAILABLE HANGAR:

- Declining a hangar offer moves your name to the end of the list.
- Declining a hangar offer **three times** will remove you from the call list.

TO QUALIFY FOR THE WAITLIST:

1. Submit a completed, signed application form accepting the allowable use of the T-Hangar.
2. Pay the \$75 non-refundable fee.
3. Have a registered aircraft in the applicant's name or be in the process of purchasing one.
4. Own an operational/registered aircraft when the hangar is offered and when signing the lease agreement.
5. Use T-Hangars for personal use only. Subleasing is prohibited and may result in lease termination.

ALLOWABLE USE OF T-HANGARS

- Store airworthy aircraft and ground-handling equipment. I will have an aircraft to store when I accept an available hangar.
- I will provide a Certificate of Insurance to CASP upon signing the lease agreement.
- No commercial use or sub-leasing; violations will lead to lease termination.

AUTHORIZED PREVENTIVE MAINTENANCE ACTIVITIES

- Perform maintenance per Colorado Air and Space Port Minimum Standards (details at coloradoairandspaceport.com).

ADDITIONAL PROVISIONS

- Keep hangars clean and free of debris.
- Obtain written approval for modifications.
- Ensure all stored vehicles and equipment are operational.
