

TEMPORARY OFFICE TRAILER

All documents must be submitted in .pdf format online through the [E-Permit Center](#)

The following checklist has been compiled to assist in expediting the commercial plan review and permit issuance process. Please review this checklist to verify all the required documentation included in your submittal. Failure to provide the required documentation in accordance with the naming conventions (*Italicized Below*) may result in delaying the review process prior to issuing a permit. All documents listed below are required. Incomplete submittals will not be accepted.

COLORADO WILDLAND URBAN INTERFACE (Adams County Ordinance 14)

All new construction within unincorporated Adams County must comply with the newly adopted Wildland Urban Interface (WUI).

The following steps must be followed for all new construction:

Visit Colorado Wildfire Resiliency Code Map to determine the class of hazard assigned to your property (Class 1 or class 2). **Note: If your parcel does not fall within a WUI zone, the WRC code does not apply. Please identify this information on plans.**

Note: Please see adopted WUI Code for full list of requirements, see links below.

The proposed tie-down system shall be designed in accordance with the 2024 IBC and be stamped by a Colorado-registered design professional.

- ☐ **Engineered Structural Plans and details** (STAMPED; if applicable) – [*Structural Plans.pdf*](#)
- ☐ **Architectural plans and details** (STAMPED) – [*Architectural Plans.pdf*](#)

Plans must be stamped-approved by the State of Colorado Department of Labor Affairs (DOLA) and must include:

 - ☐ Floorplan
 - ☐ Mechanical plans and details
 - ☐ Electrical Plan - The plan must also clearly show where electrical power will be sourced
 - ☐ Plumbing Plan - If restroom facilities will be provided via portable toilets, a service contract with the pumping schedule must be provided.
- ☐ **Fire Department Approval Required** – [*Fire Approval.pdf*](#)

Contact your [local Fire District](#) for plan review and Fire District Impact Fee. The signed Fire District Impact Fee form and approval/comment letter is required to be submitted to Adams County prior to the approval or release of a building permit. It is the permit applicant's responsibility to contact the Fire District for plan review and Fire District Impact Fee.

*This checklist is intended to serve as a general guide for the project described. Depending on the specific scope of work, project requirements, site conditions, or client specifications, additional items may be required, or some listed items may not apply

FEES REQUIRED AT TIME OF SUBMITTAL

- ☐ **Plan Review fee based on 65% of listed valuation at time of submittal by applicant.** ([fee schedule](#))

Note: During review of the plans, the valuation will be verified according to the Building Safety Journal Data (Feb. 2024) price per square foot and may be adjusted resulting in adjustment of the plan review fee and additional charge for the difference or a credit towards total permit fees.

- ☐ Development Review fees upon each submittal: Commercial **\$130.00**; Residential **\$40.00**

- ☐ **Traffic Impact Fees** ([fee schedule](#))

Traffic Impact Fees based on use and square footage of building. The TIF will be calculated during the review of the plans. For questions regarding calculating this fee or an estimate prior to submitting, please contact **720.523.6800**. The TIF will be required to be paid prior to issuance of the building permit.

CONTRACTOR'S LICENSING

A General Contractor and Subcontractor(s) must be identified prior to issuance of permits. If the contractors are not registered, they must do so on the [E-Permit Center](#). Please see below for our requirements. Once the contractor is approved, Adams County requires the General Contractor to notify One-Stop at epermitcenter@adcogov.org. Any transfers will require written documentation between the new and old General Contractor and approval from the Adams County Building Safety Division
